How long do you want your marriage to last? If you answered "Forever!"

we commend you.

But we know that not all marriages last forever.

Strong, long-lasting marriages don't just happen.

This class provides you with the principles and tools for a lasting marriage.

Join other couples in an eight-week class designed to prepare you for marriage.

Classes utilize video, teaching, and discussion. Class size is limited.

Topics include:

- ◆ Starting Your New Life Together
- ◆ Strength for an Enduring Bond
- ◆ For Love or Money
- ◆ Leader and Lover
- ◆ Support and Respect
- ◆ Talking Points
- ◆ From War to Peace
- ◆ Blazing Embers

Each participant will receive a workbook with lessons, articles, and questions on each topic for the couple to answer and discuss together.

The class is designed for engaged, newly married, and seriously dating couples.

The cost of the class includes the Prepare inventory. The inventory assesses growth and strength areas for each couple. Each couple will have one optional private session (outside of class) to review the inventory.

Research shows that premarital instruction greatly improves a couple's success in the marital relationship.

All principles and instructions are based on proven techniques and a Christian perspective.
